

Porirua Historical Association

At the recent 50th AGM held on 18th February 2016 secretary Brian Mosen retired from his post after 15 years, but will continue as Vice President. The PHA has a newly elected Secretary, Carole Naylor.

At this meeting the new Director of Pataka, Rueben Friend gave an hour's talk about his plans for changes to the building and exhibitions to improve the quality of experience for visitors. His intentions are for a permanent exhibition of the history of Porirua and also to re-catalogue and improve the storage of Pataka's treasures so that they can be better accessed. Considerable funding is required for these improvements and our Association has agreed to support our new Director and staff in any way we can.
